

Make the most of your Health Savings Account.

Tips to help optimize your HSA

Once you've saved enough to cover near-term expenses, you have the option to invest any additional contributions for your future qualified medical expenses.

We offer a variety of options to help you invest with access to over 10,000 investments, including target date funds.

Need help with options? Our Fidelity HSA[®] Funds to Consider provides a list of **zero minimum*** fund options and **no account transaction fees**. We also provide automatic features as a way to help you set up automatic investing of your future payroll contributions into the funds of your choice.

Investing involves risk, including the risk of loss.

*There may be funds that require a minimum amount to invest, but Fidelity does not require a minimum to start investing. Although there is no account fee, commissions and other expenses associated with transacting or holding specific investments (e.g., mutual funds) may apply. Refer to the fees and commission schedule for additional detail at <https://www.fidelity.com/trading/commissions-margin-rates>.
