## Portability

### So you can keep your coverage even if you leave your current employer

Should you leave Veolia for any reason, and your Basic and Supplemental and Dependent Term Life and Personal and Supplemental/Optional and Dependent insurance under this plan terminates, you will have an opportunity to continue group term coverage ("portability") under a different policy, subject to plan design and state availability. Rates will be based on the experience of the ported group and MetLife will bill you directly. Rates may be higher than your current rates. To take advantage of this feature, you must have coverage of at least \$10,000 up to a maximum of \$2,000,000.

Generally, there is no minimum time for you to be covered by the plan before you can take advantage of the portability feature. Please see your plan administrator/employer or certificate for specific details.

Please note that if you experience an event that makes you eligible for portable coverage, please call a MetLife representative at 1-888-252-3607 or contact your plan administrator/employer for more information.

## Conversion

### For protection after your coverage terminates

You can generally convert your group term life insurance benefits to an individual whole life insurance policy if your coverage terminates in whole or in part due to your retirement, termination of employment, or change in employee class. Conversion is available on all group life insurance coverages. Please note that conversion is **not** available on AD&D coverage. If you experience an event that makes you eligible to convert your coverage, please call 1-877-275-6387 to begin the conversion process. Please contact your plan administrator/employer for more information.
