Conversion

For protection after your coverage terminates

You can generally convert your group term life insurance benefits to an individual whole life insurance policy if your coverage terminates in whole or in part due to your retirement, termination of employment, or change in employee class. Conversion is available on all group life insurance coverages. Please note that conversion is **not** available on AD&D coverage. If you experience an event that makes you eligible to convert your coverage, please call 1-877-275-6387 to begin the conversion process. Please contact your plan administrator/employer for more information.

This summary provides an overview of your plan's benefits. These benefits are subject to the terms and conditions of the contract between MetLife and Veolia and are subject to each state's laws and availability. Specific details regarding these provisions can be found in the booklet certificate.

Nothing in these materials is intended to be advice for a particular situation or individual. Please consult with your own advisors for such advice. Like most group insurance policies, insurance policies offered by MetLife contain certain exclusions, exceptions, waiting periods, reductions, limitations and terms for keeping them in force. If you have additional questions regarding the Life Insurance program underwritten by MetLife, please contact your benefits administrator or MetLife for costs and complete details.

Life coverage is provided under a group insurance policy (Policy Form GPNP99/G2130-S) issued to your employer by MetLife. Life coverage under your employer's plan terminates, when your employment ceases, when your Life contributions cease, or upon termination of the group contract. Should your life insurance coverage terminate for reasons other than non-payment of premium, you may convert it to a MetLife individual permanent policy without providing medical evidence of insurability.
